Living at Masonicare at Ashlar Village is normally within the financial reach of most people who own a home or have savings and an average retirement income. Prices vary dependent on accommodation, the number of people and services included.

There are two fees which our residents pay:

- **Entrance Fee** A one-time fee, which covers use of the residence and the assurance of the continuum of care, and 10 pre-paid days per calendar year, per person at Masonicare Health Center.
- **Monthly Fee** Billed to each resident in advance of every month, which covers not only operating costs at Ashlar Village but services geared toward our residents comfort and pleasure. Please see Amenities insert.

In the event you leave Masonicare at Ashlar Village, you may be entitled to a partial or total refund of your entrance fee based on selected refund options.

- **First Year Refund** If you are unhappy at Ashlar Village and decide to move out within your first year of residency for any reason other than ill health, your entire entrance fee will be refunded to you, minus a standard service charge. This supersedes the refund options. If you leave due to ill health within the first year, the refund option selected shall apply.
- **Standard Refund** The one time standard entry fee is refundable on an 8-year declining basis as outlined in the residency agreement.
- **Guaranteed Refund** For traditional apartments and cottages, residents pay 125% of the standard entrance fee and would receive a guaranteed 50% of the standard entrance fee.

For Villas and Notch Hill apartments, residents pay 160% of the standard entrance fee and would receive a guaranteed 75% of the total entrance fee.
